To: The Select Board

From: The Transfer Station Review Committee

The Transfer Station review committee would like to present the Board with another thoughtful recommendation. This is in regards to the hours of operation at the Transfer Station for Christmas Day. Christmas Day falls on a Saturday this year and the committee has voted in favor of closing Saturday December 25th to allow Transfer Station employees to be with their families. We are also recommending that the Transfer Station be open 9:00 am to 6:00 pm on Tuesday December 28th. Normally our hours of operation are 1:00 pm to 6:00pm on Tuesdays.

Thank you for your consideration,
The Transfer Station Review Committee
